

**Today's largest, most powerful tractors demand tougher track.** As the pioneer, Trackman® has continued to deliver game-changing innovations resulting in the most rugged track available. Take on today's toughest challenges and harsh environments with Trackman®.

**Trackman®**  
*for CLAAS®*  
Combines

#### **Constructed for Longer Life**

MAXXTUFF™ steel belting reinforcement is the strongest in the market today.

Wire-ply construction with 50% more wires per inch than our competition.

#### **HP Plus**

Double the wire dramatically improves track strength

Stronger carcass reduces internal track temperatures and improves tread lug performance and wear life.

### Fully Molded Is Stronger

- Fully molded track equals tougher, longer-lasting track.
- Non-fully-molded has built-in weak points that can lead to early deterioration and failure.
- On top of longer life, you get a more consistent rubber thickness, which leads to greater stability and a smoother ride.

**Just like our track, our warranty is second to none.**

In accordance with the Loc Performance Trackman Rubber Track warranty, the track is covered against material and/or workmanship defects. For complete warranty information, contact your Rubber Track dealer or visit our website at [www.locperformance.com](http://www.locperformance.com).
